

Information related to the FuMee V Conference at EPFL, Lausanne, Switzerland, Sept. 9-10, 2013

The FuMee V conference will take place in Lausanne, more precisely on the EPFL campus (definitive location on campus still to be specified):

For information on EPFL (what it is, location, etc.):

www.epfl.ch

For more precise information on FuMee V logistics:

Pierre.rossel@epfl.ch

Marianne.cachin@epfl.ch

EPFL (or more precisely The Ecole polytechnique fédérale of Lausanne) is 20-30 minutes from Lausanne downtown, depending where your hotel is, accessible a variety of ways, but mainly through light train M1, leaving from the Flon station right in the middle of Lausanne (not to be confused with main Lausanne central station, which is on station away on the M2 line, from the Flon Station), take it direction Renens, then get down at EPFL station, roughly 13 minutes after departure, to get an idea.

Lausanne is on the Lake of Geneva (here called Lac Léman), accessible from Geneva Airport, between 05.30 and 0.30 by three trains per hour, trip duration being between approx. 40 to 50 minutes, depending which train you take. There are also accesses from Basel Airport (3 hours of train away) and Zurich airport (2.5 hours of train away). So for most of you I would say the safest and quickest way is through Geneva. Train is accessible right at the airport. You have to buy the train ticket there to go to Lausanne.

Reminder on expenses:

FuMee is a bunch of friends keen at exchanging ideas on the founding principles of futures studies and therefore only a few costs are covered by the hosting organisation, in this case:

- Coffee and else twice a day, Monday and Tuesday,
- lunches of Monday and Tuesday,
- Monday night social event. + facilities (conference room with multimedia equipment).

There is no registration fee.

This means that travelling expenses and staying expenses must be covered by participants.

List of 10 Lausanne hotels between 160 and 220 CHF/night

(to get an idea, 1 Euro = approx. 1.27 CHF)

Procedure:

You tell us your name and email, which night(s) you want to spend in the hotel you chose from the list (provide and B plan in case there is no room anymore in the first choice) and then, unless you want to do it by yourself hoping to get even a better price, who knows, send this information to Marianne Cachin (Marianne.cachin@epfl.ch) who will make the final loop so you can get the EPFL preferential price

Nights: Sept. 8/9/10/11 (any selection or combination, please tell us), FuMee conference takes place on Sept. 9-10, 2013, but you may want to come earlier and/or leave later. In any case, check that there is still room for the hotel (s) you choose and for the dates you target (Lausanne is an extremely touristic place, even in September, so do not take for granted that there will be room in all hotels)

My personal recommendation: Starling Hotel on EPFL campus or if you prefer staying downtown, one of the nine other suggested locations

List:

- Starling Hotel Lausanne
Route Cantonale 31, 1025 Saint Sulpice, Switzerland
Website :<http://www.starlinghotels-lausanne.com/en.html>
